Overseas media exhibition of Chinese artists Lin Zongshan

摘要：文化是一个国家、一个民族的灵魂。文化兴国运兴，文化强民族强。没有高度的文化自信，没有文化的繁荣兴盛，就没有中华民族的伟大复兴。文化更是一个民族的脊梁和灵魂，它铸造着国家和民族的心灵和品格，一个民族有了文化自信，才能立于世界民族之林；人民有了信仰，国家才有力量，民族才有希望。而文化自信是促成这些目标的至关重要的因素。

Abstract: Culture is the soul of a country and a nation. Culture invigorates the country, and culture strengthens the nation. Without a high degree of cultural confidence, without the prosperity of culture, there will be no great rejuvenation of the Chinese nation. Culture is the backbone and soul of a nation. It casts the heart and character of a nation and a nation. Only with cultural confidence can a nation stand in the forest of nations in the world. Only when the people has faith can a country have strength and a nation have.

Lin Zongshan, male, of Han ethnicity, born in 1948 in Fuqing City, Fuzhou, has been honored as the "Father of International Traditional Chinese Medicine." He has attended numerous conferences, including those held at the Great Hall of the People, Diaoyutai, the CPPCC Grand Hall, and the Peking University Auditorium. We are the national team for Han medicine; we are the founders and practitioners of the "Han Medicine Popular Science" series, as well as contemporary theories such as "Whole Consciousness Theory" (psychology), "Chinese Elephant Mathematics" (philosophy), and "Chinese Orthography Studies." Our six-volume "Han Medicine Deconstruction" series, totaling approximately 1.7 million characters, has become a beacon of hope for the revival of Han medicine in contemporary China. Currently, we serve as the frontline leader for Han medicine popular science initiatives and the director of the Fuqing City Shanren Traditional Chinese Medicine Popular Science Workstation, as well as the editor-in-chief of the "Contemporary Han Medicine" online platform. I personally took an oath at the "Tianxia Students Hanlin Academy" in Beijing: to resolutely advocate for the "Three New" ideology, the "Three New Eras," the New Silk Road (Belt and Road), the New National Medicine (Traditional Chinese Medicine and Herbal Medicine), an
